## Employment

**Freelancer** Mar 2022 - Present

Online And Local Marketplaces

As a freelancer, I have successfully navigated the ever-evolving landscape of online and offline marketplaces. With a diverse skill set and a deep understanding of the gig economy, I have built a strong reputation for delivering exceptional results across various platforms. Whether it's working remotely with clients from around the globe or collaborating with local businesses, I thrive in the dynamic world of freelancing.

## Courses

**Android App Development** Present

I have honed my skills in Android app development through an intensive and comprehensive training program at Bongo Academi. This esteemed institution equipped me with a solid foundation in the principles, methodologies, and best practices of Android app development.

**Github** Present

I am grateful for the valuable opportunities provided by Anisul Islam's courses on Coursera and the collaborative environment

I consent to the processing of my personal data for the purpose of recruitment for the position to which I am applying.
